ATTENTION YOUTH LEADERS:

We are looking forward to YEC 2022, **March 4-5, at the Robinson Grand Theater in Clarksburg.** Please find the enclosed promotional materials to help you get the word out to your 6- 12th grade students. In addition, you can find additional resources and videos on the YEC website, wvyec.com.

Our theme this year is **"Super," based on Psalm 19, "The heavens declare the glory of God, and the sky above proclaims his handiwork."** God gave us the sky to proclaim his almighty power and invites us to look to his Word to find him. We can not only know God exists, but know God and walk with him. When students see God for who he is, in all of his glory and grace, their lives will be changed forever.

We think your students will enjoy the lineup, including a few familiar faces from last year's "Long Live the King" video curriculum.

- * **Jared Bumpers: MBTS Director of Student Life, Asst. Professor of Preaching and Ministry**
- * **Daniel Doss: Songwriter, producer, worship leader at New Vision of Murfreesboro, TN**
- * **Bryan Drake: Mix of comedy, mentalism, and illusions to share the Gospel with this generation**

You can register online or by mail. **Group check in begins at 5:30 p.m. and YEC launches at 6:45 p.m.**

Finally, after the success of last year's student video curriculum, "Long Live the King," we are excited to provide a new video curriculum this year following YEC. More details are on the way!
