*\*YEC, 8:45 A.M. TO 12:30 P.M.*

# SUPER

*Our Milky Way galaxy contains 200 billion stars, and it's only one of 150 billion galaxies!*

*There are more stars than grains of sand on the seashore. God gave us the sky to proclaim his almighty power and invites us to look to his Word to find him. We can not only know God exists, but know God and walk with him. When we see God for who he is, in all of his glory and grace, our lives will be changed forever.*

amended Declass 58017

"The Heavens are singing about how great  
God is; and the skies are shouting it out,  
'See what God has made!' Day after day ...  
night after night ... They are speaking to us."

***PSALM 19:1-2***

*PARAPHRASED IN THE JESUS STORYBOOK BIBLE*

**A B O U T Y E C :** Sponsored by the West Virginia Convention of Southern Baptists, the Youth Evangelism Conference (YEC) is **open to youth groups from churches of multiple denominations** across our state.

This is an opportunity for your 6-12th grade students to get away from life's distractions and focus their hearts on Christ through gospel-centered experiences that are fun and relational building, with engaging worship and sound biblical teaching.

We make much of Jesus at YEC and commission students throughout West Virginia to boldly share the gospel as they live for him in today's world both locally and globally. We have seen many lives transformed for eternity over the last 20 years, and many become fully devoted followers of Christ.
